**MIE GROUP
PROVIDING SYSTEMS, EQUIPMENT & SERVICES
TO THE MARINE INDUSTRY WORLDWIDE
FOR OVER FOUR DECADES.**

At MIE, we do business on the basis of common values. Our success is based on these values which reflect our transactions in our daily dealings with customers and principals as well as in our teamwork and our collaboration with each other; through a global network of channels on a twenty-four hours per day, seven days a week basis.

ABOUT US

MIE Group is a proud member of Fameline Holding Group (FHG). FHG is a conglomerate over 100 companies with international activities primarily in the Maritime and offshore sectors. FHG has developed a wide spectrum of collaborations and ventures that cover at large the procurement requirements of commercial and other type of vessels. Its international network of branch offices, representatives and sales agents allows FHG to reach every corner of shipping activities in the world.

The MIE Group Ltd comprises a network of four regional offices in Cyprus, Greece, Dubai, China, Singapore and Germany. Traditionally, the companies within the MIE Group Ltd have acted as agents to prominent marine equipment manufacturers and service providers by supplying equipment, spares and services worldwide. Over the years we have diversified, promoting principals in the areas of vessel repairs, new building consultancy, coatings, chemicals, fuel management systems and turnkey solutions for delivery and installation of energy saving devices and vessel optimization systems.

We currently employ over 100 technical and commercial professionals worldwide. The synergy between technical know-how and commercial support, coupled with extensive product ranges and commitment to continual improvement, has made the MIE name synonymous with Quality, Service and Reliability.

Our headquarters are in Limassol, Cyprus - a shipping hub and home to one of the largest commercial fleets in the world. The offices are located in a 1,000m² purpose-built office block located in the town's centre.
